Antique 19th Century Swedish Mora Clock With Original White Paint

Swedish mora grandfather clocks are noted by their lovely curves and classic style as seen in this original white painted long case clock. It is accented with gold stencil flourishes and trim, also a favorite style element of the era. Any original clock works remaining will be included with the long case but they are not in working condition. This item is part of our "un-restored" collection and is being sold in "as is, used" original condition; how we found it in Europe.
