Antique Swedish White Painted Oval Tea Table Side Table from Sweden

This oval shaped side table from Sweden is simply charming with it's softly rounded edges, decorative carved details and cabriolet legs. There is a gentle appeal in the newly professionally applied antique white paint that has been lightly scraped exposing the natural pine wood beneath, fitting the age of this former tea table. Please take a moment to enlarge the photos and examine the details up close. Restored and ready for use, any nicks, scratches, cracks, or signs of wear are commensurate with age and do not detract from the beauty nor function of this lovely side table.
