Antique Swedish Gustavian White Painted Small Side Table With Drawer

This delightful country Gustavian table will make a lovely side table or nightstand. The table has a newer, professionally applied layered white painted finish which has been gently distressed matching it's age and character. Note the lovely tapered legs embellished with the simple half-circles and single drawer. This table has been restored, the drawer functions and it is ready to be used and enjoyed. Please enlarge the photos to appreciate the details up close, particularly the charm of the painted finish. Any cracks, nicks, scratches or signs of wear are commensurate with age and do not detract from the function nor beauty of this table.
