Antique Rococo Red Painted Side Table, Norway circa 1780-1800

This elegant rococo table has a soft blush finish adding to the romance of the cabriolet legs and carved floral flourishes that embellish this lovely side table. The newer, professionally applied layered paint has a soft rose colored palette, lightly distressed to fit the age and grace of this beautiful accent table with one drawer. Restored, it is strong, stable and ready for use.

Any scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this lovely side table.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
