Antique Blue Painted Swedish Mora Grandfather Clock, circa 1820-40

Graceful curves create the attractive silhouette of this Swedish mora grandfather clock.

Newer professionally applied blue layered finish (with slight white and green undertones), lightly distressed to fit age of clock.

Original clock face and hands.

Wood longcase has been restored, is strong, stable and ready to be placed and enjoyed.

Clockworks do not function. Upon arrival, many clients opt to have a battery function locally installed for ease of use.

Any scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this lovely clock.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
