Rustic Bleached Oak Writing Table, Spain circa 1900's

This bleached oak table has strong presence thanks to the elaborate carving that creates the visually impressive harp shaped legs of the trestle base. Three drawers with rustic pulls on each side allow this to be used as a unique writing table or partner's desk in addition to console or side table.

Condition: Restored, strong and stable. Typical age-related signs of wear such as old cracks, nicks, old dried worm holes and stains do not detract nor impact the function and appeal of this unique table. Note areas of the top that have wood inserts, possibly reflecting old repairs. Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
