Pair, White Painted Small Gustavian Side Tables, Circa 1840-60

Pair, lovely white painted Swedish side tables resting on elegant narrow tapered and fluted legs.

The newer professionally applied layered white painted finish has contrasting black painted tops, slightly distressed to fit age and grace of the tables.

Restored, strong and stable. Any old nicks, scratches, signs of wear are reflective of generations of use and do not detract from the beauty nor function of this pair.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
