Mid Century Brutalist Patched Vintage Leather Lounge Chair, Brazil 1960's

Mid-Century brutalist armchair in stitched vintage leather, designed in Brazil in the 1960's.

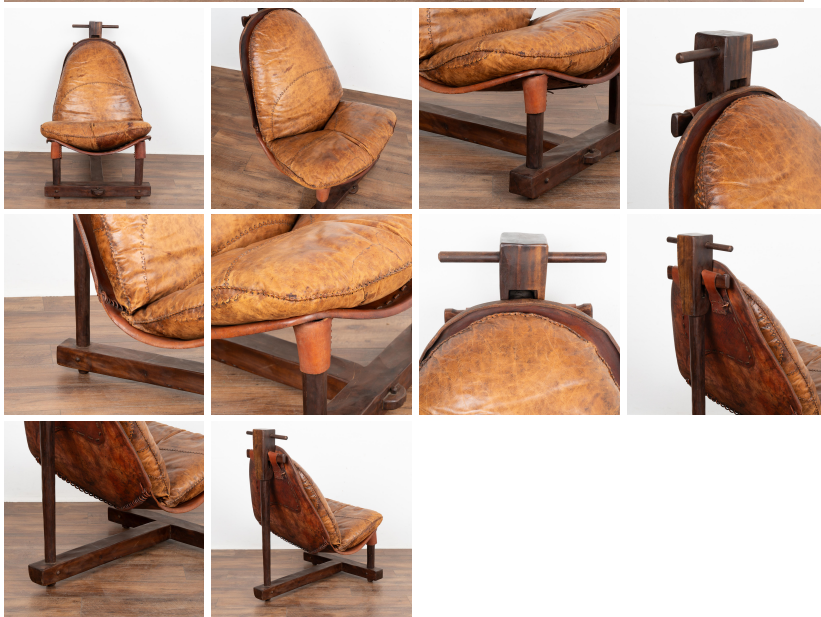

The patchwork leather cushion on top with decorative stitching is reminiscent of an old baseball glove and rests in a strong wood frame.

The vintage leather has a rich aged patina including stains, old repair, scuffs/scratches as seen in photos. Will likely benefit from a leather conditioner.

Sold in used, vintage condition this intriguing chair capture's ones attention and will make a statement piece in any home or office. Cushion is well filled.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
