Antique Pine Farm Kitchen Dining Table, Sweden circa 1800-20

This old Swedish farm table is loaded with character due to the deep aged patina in the warm pine that come from generations of use.

Unique to this table are the wide stretchers /runners which are 11" tall.

Restored, strong and stable, this 6.5' long farm table is ready to be used and enjoyed. The nicks, cracks, distress, stains and age related separation of wood simply add to the authentic vintage charm of this original trestle base dining or kitchen table.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
