

Original Green Painted Swedish Mora Grandfather Clock, Dated 1787

Antique Swedish Mora Grandfather clock with original painted finish.

Pine longcase with original folk art painted flowers in soft earth tones against a pale green background. Brick red and burnished gold trim.

Original painted clock face with one hand. While this clock dates to the mid 1800's, the date of 1787 painted in black was likely added at a later date.

The wood longcase is restored and waxed, solid and ready to be placed in home. Any original clock works remaining will be included with the long case but they are not in working condition. Many clients opt to install a battery function for ease of use. All scratches, cracks, nicks, gouges, dings, and age related separation are reflective of age and do not detract from the beauty nor function of this lovely Swedish Mora grandfather clock.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
