Wine Tasting Table Standing Bar from Old Wine Press, Hungary 1900's

This exceptional wine tasting table or standing bar table was created using an antique double wine press from Hungary serving as the unique and impressive base. The top is made from old boxcar/railroad cart flooring with extensive distressing which adds a strong balance to the industrial feel of the lower wine press. Note the heavy wrought iron turning mechanism and reinforced straps throughout.

Carved from oak, the wine press alone is a heavy, substantial base crowned with the thick boxcar flooring wood top.

Restored, waxed, stable and ready for use, this truly one of a kind table will be a conversation starter with all your guests. All gouges, nicks, cracks, scratches or signs of wear are age related and in no way impact the strength, function nor appeal of this incredible bar or wine tasting table.

Estimate weight 400-500lbs.

Height to table top 45.5"

Height to top of metal mechanism 54"
