Gray Painted Small Gustavian Cabinet Nightstand, Sweden circa 1880

Small Swedish country pine cabinet standing on tapered legs; may serve also as a nightstand or side table.

Small drawers with traditional fluted diamond accent sits above and below the two small cabinet doors, each with a simple brass pull knob.

The newer professionally applied and layered gray painted finish is gently distressed to fit the age of this charming nightstand.

Restored, strong and stable. Any old nicks, scratches, signs of wear are reflective of generations of use and do not detract from the beauty nor function of this delightful pine cabinet.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
