Gustavian White Tile Top Tea Side Table with Purple Flowers, Sweden circa 1860-80

Swedish Gustavian tile top side table with tapered fluted legs and raised lip around tile top. Fluted carved details surround the 6.5" skirt.

An original Swedish tile table such as this one is a special find, especially with such lovely lavender painted flowers.

The six large floral painted tiles are all original and show typical age-related wear including cracks, crackling, old repairs, chips missing as seen in photos. Tiles are fixed securely in table top.

Floor to skirt height: 22.5"

Restored, later conservator painted in shades of light gray/antique white and lightly distressed to fit the age and grace of this lovely tea table.

Any scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this delightful accent table.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
