Vintage Garden Limestone Sculpture of Discus Thrower, Denmark circa 1910

A garden sculpture of discus thrower made of limestone with paint remnants, reminiscent of an ancient Grecian sculpture. The aged patina including distress to finish, wear, old lichen/stains, minor cracks, peeling paint all reflect generations of sitting outside in the elements resulting in an authentic aged appeal.

Provenance: A Danish manor house on the island of Fyn.

With over 37 years of experience selling European antiques, our brick-and-mortar storefront, Round Top Ranch Antiques (located in Texas) offers one of the largest curated selections in the nation with over thirty-five thousand square feet of inventory to choose from.
