## Rustic Oak Coffee Table, Hungary circa 1900's

Rustic oak coffee table with "X" style base is loaded with character. The oak plank top is covered in scrapes, stains and typical age related separation between the planks is seen adding to the authentic vintage appeal.

Restored, this coffee table is strong, sturdy and ready for daily use.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed. Slight bow to planks does not impact ability to place glasses upon top, etc.

With over 37 years of experience selling European antiques, our brick-and-mortar storefront, Round Top Ranch Antiques (located in Texas) offers one of the largest curated selections in the nation with over thirty-five thousand square feet of inventory to choose from. We look forward to helping you find the perfect addition to your home or workspace. Thank you for visiting our online store!
