Large Blue Rustic Work Table Kitchen Island With Two Drawers and Shelf, Circa 1890

Rustic work table or shop counter with two large drawers and lower shelf. The blue painted finish has been distressed throughout the base.

This heavily used 6' table reflects generations of use in every gouge, nick, scratch, stain and small holes in the top. This work table is loaded with character and may also serve as a modern kitchen island.

Restored, strong and stable this table is ready to be used.

Any scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this special accent table.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
