Rustic Coffee Table from Hungary, circa 1890

The appeal of this rustic coffee table comes from the thick hard wood top that originally served as a work table, resting on strong squared peg splay legs.

Note the heavy gouges, nicks, old cracks and stains that all combine to build the vintage character of this coffee table.

This table has been restored, sanded and waxed so it is strong, stable and ready to use and enjoy.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
