Pine Farm Table Dining Trestle Table, Hungary circa 1890

It is the long stretcher and wide platform feet of the base that give this wonderful pine trestle table it's country charm in addition to strength and stability. The top reveals old scratches, cracks, stains, nicks, etc. which all add to the authentic vintage appeal of the dining table. Please enlarge the photos to appreciate the worn character of the top. This sturdy and versatile 7.5' farm table has been restored so it is strong/stable/level and will make a great desk, kitchen or dining table. All scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this dining table. Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
