Large White Gustavian Style Round Dining Table, New

Round dining table, 6.5' diameter with the look of the Gustavian style.

This size table did not exist in the Gustavian period; this new table mirrors the Swedish style in a larger size suited for today's modern home.

Lovely tapered fluted legs, applied carved diamond/garland accents.

Professionally applied layered antique white painted finish, distressed to fit the look of the Gustavian era.

Please refer to professional photos for clear understanding of color, condition and details. Photographic lighting and individual monitors/screens may impact viewing.
