Pair, Gustavian White Painted Armchairs, Sweden circa 1940

Pair, attractive Swedish country Gustavian style arm chairs with gently curved barrel back and carved ribbon/bow adorning the back and skirt. Turned fluted feet.

Newer, professionally applied layered antique white painted finish has been distressed revealing layers of patina, adding to the grace of these lovely side chairs.

Restored, stable ready for use. Any signs of wear including nicks, dings, scratches, old repairs along curved frame and worn patina are a reflection of generations of use and do not impact the function nor beauty of this pair.

Simple linen upholstery on back, seat (removeable) and arms. Deconstructed look with staples visible throughout. Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.

Seat Height: 19"
