French Country Oak Dining Table, circa 1900-20

Impressive at just over 8' long with one solid plank top, this dramatic dining table will make a grand gathering place in today's modern home.

The heavy oak top is impressive; rich character is revealed in the scratches, nicks, knots, and distress which create the appeal of this stunning French country dining table.

Note the substantial size of the two legs and traditional stretcher base.

Restored, strong, stable and very heavy it is ready to be used and enjoyed.

All scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this striking dining table.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
