## 20th Century Mannequin Dressmakers Form on Black Stand

Everyone needs a great conversation piece. Think old school with this vintage dress/suit form, perfect for displaying dressed up or simply as a fun vintage accent. An additional feature is the black painted tripod base. The paper mache form shows expected signs of wear, staining, pencil markings, some creasing around the neck area, wrinkles to finish, etc all expected in an authentic vintage item that has been used for over years. The black painted stand shows distress at top and base. This item is sold in as is, used condition as we found it in Europe. The form separates from the spindle base and will ship separately for safety if packaged, or can also ship via Freight service.

With over 37 years of experience importing and selling European antiques, our brick-and-mortar storefront, Round Top Ranch Antiques (located in Texas), offers one of the largest curated selections in the nation with more than thirty-five thousand square feet of inventory to explore. We welcome you to visit us in person or browse our collection online to find the perfect addition to your home or workspace.
