Bureau- plug in need desk H/ open depth CANNOT OPEN. WOOD??

Pine secretary or "bureau" from Sweden from the latter 1800's.

Standing 4' tall, this secretary has 3 traditional large lower drawers with brass pulls and upper desk section.

The desktop opens to reveal 12 drawers with one central cabinet/cubbie (with small door) for organization and storage.

The desk top reveals stains, scratches, marks/nicks which are also seen along the top and all reflective of age and generations of use.

Desk top height: __. Desk top depth __" to allow for chair underneath.

Lock does not function, skeleton key will be included to use as pull only.

Restored and waxed, this secretary is ready to be used and enjoyed.

All scratches, cracks, dings, dried old wormholes and age related separation are reflective of age and do not detract from the beauty nor function of this pine secretary. See photos of lower skirt/feet. Please refer to professional photos for clear understanding of color, condition, and details; photo lighting, individual monitor display and home lighting all impact how item is viewed. Photos are part of item description, please ask questions or request additional photos of specific areas if needed.
