Early 20th Century Swedish White Nightstands, Pair

Pair, small Swedish country white painted nightstands or small cabinets standing on tapered feet.

Canted sides have simple fluted carving topped with floral medallion. A carved Greek key meander decorates the upper section.

Newer professionally applied exterior antique white painted finish is gently distressed to fit the age of this charming pair.

Keys/locks function in cabinet doors. Single interior shelf in each.

Restored, strong and stable. All old nicks, scratches, cracks, signs of wear are reflective of generations of use and do not detract from the beauty nor function of this delightful pair of pine nightstands.
