## Large Round White Swedish Gustavian Style Dining Table, Reproduction

This size table did not exist in the Gustavian period; this new 6' round table mirrors the Swedish style in a larger size suited for today's modern home. Lovely tapered fluted legs, applied carved floral medallions and garland accents. Professionally applied layered antique white painted finish, distressed to fit the look of the Gustavian era. Please refer to professional photos for clear understanding of color, condition, and details; photo lighting, individual monitor display and home lighting all impact how item is viewed. Photos are part of item description, please ask questions or request additional photos of specific areas if needed.
