## 19th Century Swedish Black Side Table with Single Drawer

Antique Swedish Gustavian Black Painted Side Table With Drawer. Tapered legs and horizontal fluted carving along single drawer. May also serve as nightstand.

Distress to the black painted finish reveals natural pine below and adds to the aged character of this side table.

All old nicks, scratches, signs of wear are a reflection of generations of use and do not detract from the beauty nor function of this delightful Swedish table.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed. Photos are part of item description, please ask questions or request additional photos of specific areas if needed.
