19th Century Swedish Gray Painted Two-Drawer Table or Writing Desk

19th century Swedish table or writing desk crafted with two drawers fitted with brass pulls.

The table stands on tapered fluted legs. A newer professionally applied painted finish presents in gray with antique white and subtle blue undertones, consistent with Gustavian styling.

The height from floor to skirt measures approximately 25 inches, allowing for comfortable seating beneath. This proportion allows the table to function as a small dining table, desk, or side table.

The table has been restored and is strong, stable, and ready to use. Typical age-related scratches, nicks, and surface distress are visible and do not impact function.

Please refer to professional photos for clear understanding of color, condition, and details; photo lighting, individual monitor display and home lighting all impact how item is viewed.
