## 19th Century Swedish White Demi Lune Console Tables

Pair, Gustavian demi-lune side tables or consoles with gently tapered legs and decorative egg and dart carving along skirt. Newer professionally applied layered antique white painted finish with light gray undertones, slightly distressed to fit age and grace of the tables.

Restored, strong and stable. All old nicks, scratches, signs of wear are reflective of generations of use and do not detract from the beauty nor function of this pair.
