## 19th Century Swedish Black Painted Pine Two-Drawer Side Table

19th century Swedish side table crafted in pine. The table features two drawers carved with traditional fluted diamond motifs.

It stands on long tapered legs, giving it a light and balanced profile.

The black painted finish has been lightly distressed, revealing natural pine beneath and adding to the depth of character.

This table may be used as a side table, small console, writing desk or in a variety of other settings.

Age-related cracks, nicks, and minor separation are visible throughout, consistent with generations of use.

Restored, strong, stable, and ready to place and enjoy.
