20th Century French Oak Sideboard Buffet

20th century French oak sideboard featuring traditional provincial carved panel doors and scalloped skirt. Two narrow upper drawers sit above two cabinet doors, each brass pulls. The scalloped skirt is centered with carved details, and simple carved panels accent the sides as well. Long French hinges run the entire length of the doors.

Age-related wear, including surface distress, scratches, cracks, are consistent with its age, minor age-related separation seen in back panels. The buffet has been restored, is strong, stable, and ready for use.
