Early 19th Century Rustic Coffee Table with Two Drawers from Portugal

This rustic dark chestnut coffee table features two drawers with iron pulls. The extensive wear and distress give this table its remarkable character. Gouges, cracks, scratches, and traces of old wormholes appear throughout the top, drawers, and legs (where old wormhole remains are most dominant and no longer active). Old cracks have been repaired, preserving the sturdy structure while maintaining its timeworn charm.

Restored and stable; a striking, authentic accent for a ranch, mountain, or country home.
