## Large Original Oil on Canvas Still Life Painting from Spain

Large original oil on canvas still life painting at over 7' wide. This extremely large composition depicts a traditional still life scene with a deer, hare, and fruit laden table, creating a dramatic and decorative presentation. The painting shows crackle throughout, along with some old touchups, minor pulling around the edges, and an impression running horizontally along the lower edge. The canvas will likely benefit from a light cleaning. The painting is set within a newer heavy frame featuring a deep wine background, crackling motif, and gold burnished accents. Wear is seen at multiple corners of the frame. A striking large scale work with strong visual presence, ready to be placed and enjoyed.
