

Long French Oak Four Door Sideboard Buffet

This French long sideboard is crafted in oak and offers a traditional French country look in an impressive scale measuring over 9 feet long. The front is detailed with four attractive paneled cabinet doors, with three small drawers set between them for added function and visual interest. Carved decoration along the top includes birds, vines, and leaves, while a scalloped skirt adds further decorative character. The four cabinet door locks function, and two keys are included. The three small drawers provide a fun and useful accent to the overall form. Typical age related scratches, scuffs, and minor cracks are present throughout. A handsome vintage buffet with strong presence, generous storage, and classic French detailing.
