Late 18th Century Spanish Oak Three Drawer Console Table

Late 18th century Spanish console table, crafted in dark oak. The table features three decorative carved drawers and is raised on turned legs joined by a stretcher base. A carved skirt surrounds the base, and the freestanding form allows for flexible placement in a room. The top reveals generations of use, with old cracks, stains, and old signs of dried wormhole activity throughout (no longer active). Typical age related nicks, gouges, scratches, and old repairs are seen throughout and all add to the authentic look of this very old and richly patinated console table. Restored strong, stable, and ready to use.
