Pair of 20th Century Vintage Brown Leather Danish Club Chairs

Pair of 20th century Danish club chairs upholstered in vintage brown leather. Each chair features a tufted button back, self piping, and gently rolled arms, giving the pair a classic and comfortable look. The chairs are raised on hardwood feet, which show scuffing and nicks consistent with age and use. Removable seat cushions add practicality to the form. The vintage leather shows cracking, stains, impressions and creases in the seats, along with scuffs throughout. Sold in original vintage condition. A handsome and inviting pair with warm leather and timeless club chair appeal. Sit low and snug.
