## Early 20th Century Small Pine Nightstand with Marble Top and Shelf

Early 20th century small nightstand, crafted in pine with an old marble top. This cabinet features one small drawer above a single cabinet door, with the upper section raised on turned spindles that create a useful central open shelf area. Its compact size makes it especially well suited for use as a nightstand. The marble top is old and shows stains, scratches, and some nicks to the edge. The cabinet door closes well, though it does not have an interior latch. Restored stable and ready to use.

Scratches, nicks, and other signs of wear are reflective of age and do not impact function.

Please refer to professional photos for clear understanding of color, condition, and details; photo lighting, individual monitor display and home lighting all impact how item is viewed.
