19th Century Hand Carved Black Forest Mantel Game Clock, Germany

This antique Black Forest carved mantel game clock was hand-carved in Germany during the 19th century. The detailed linden or walnut wood carving features a stag finial with doe below, surrounded by oak leaves and forest flora. Beautifully executed carving throughout this striking example of Black Forest craftsmanship. Solid, stable and ready to display. Clockworks do not function but key will be included. Typical age-related wear including minor nicks, cracks, and old repairs.

Please refer to professional photos for clear understanding of color, condition, and details; photo lighting, individual monitor display and home lighting all impact how item is viewed. Photos are part of item description, please ask questions or request additional photos of specific areas if needed.

With over 37 years of experience importing and selling European antiques, our brick-and-mortar storefront, Round Top Ranch Antiques (located in Texas), offers one of the largest curated selections in the nation with more than thirty-five thousand square feet of inventory to explore. We welcome you to visit us in person or browse our collection online to find the perfect addition to your home or workspace.
