## 20th Century Vintage Leather Chesterfield Sofa

20th century leather Chesterfield 5.5' long bench seat sofa. Classic Chesterfield form with rolled arms, tufted button back, and simple buttons line the front. Pleated leather creates dramatic arm fronts. Hardwood feet on casters. Sits low. Seat Height: 17.5"

Upholstered in dark chocolate brown vintage leather which may present black based on lighting. With loose seat cushions. The leather shows extensive age-related wear, including abrasions, scratches, surface losses, crackling, impressions and visible distress throughout. Discoloration /lighter along back. These characteristics contribute to a deeply aged, worn patina consistent with vintage leather upholstery. This sofa is sold in vintage condition and sits low. Will likely benefit from a leather cleaner/conditioner which we leave to the discretion of the buyer.

Please refer to professional photos for clear understanding of color, condition, and details; photo lighting, individual monitor display and home lighting all impact how item is viewed. Photos are part of item description, please ask questions or request additional photos of specific areas if needed.
