Swedish 19th Century Blue Painted Small Sideboard Console

Antique Swedish country baroque style pine cabinet or small sideboard with three central drawers flanked by two narrow cabinet doors.

The newer, professionally applied blue painted layered finish (with faint "mottled affect" resembling white dots) has been softly distressed revealing the warm, natural pine patina underneath.

Restored, strong and stable ready for use. Locks no longer function, 4 keys are included to use as pulls only.

All scratches, cracks, dings/nicks, and age-related separation are commensurate with age and do not detract from the appeal nor function of this Swedish country find.

Please refer to professional photos for clear understanding of color, condition, and details; photo lighting, individual monitor display and home lighting all impact how item is viewed. Photos are part of item description, please ask questions or request additional photos of specific areas if needed.
