Pair of Mid Century Danish Brown Leather Wingback Club Chairs

Pair of mid century Danish club chairs upholstered in chocolate brown vintage leather. Mid century modern in style, the chairs have a low and comfortable profile with a tall slight wing back and extending arms that give the pair a handsome and inviting look. Each chair has three removable cushions that create the seat and back, attached with Velcro, and each cushion includes zipper access for a buyer who may wish to remove or replace the inserts. The vintage brown leather shows typical signs of use including creases, impressions, scratches, stains and scuffs, all consistent with age and use. Traditional hardwood feet complete the form with scuffs and nicks reflecting wear and use. A comfortable and versatile pair with warm leather and classic Danish appeal.
