20th Century English Vintage Brown Leather Chesterfield Three Seat Sofa

The brown vintage leather creates the appeal in this handsome Chesterfield sofa. The impressive tufted back with large, rolled arms, nail head trim and button accents add to the age-defying Chesterfield look which never goes out of style. This handsome sofa has 3 seat cushions, is quite comfortable and rests on bun feet. Note the seat cushions are not removable. The age-related signs of wear simply add to the vintage look which adds depth of character to the leather. Old scratches, scuffs, creases, and some variation in color tones are all typical in this type of used sofa in the latter 1900's. This handsome sofa is ready to be placed, used and enjoyed.
