Rustic 20th Century Narrow Workbench Console Table

The worn patina of this old carpenter's workbench is a reflection of its age and years of use. Every ding, scratch, crack, deep gouge, paint spill and stain enrich its vintage appeal. Even the remains of dried wormholes add to the rustic character. This old work table is narrow, at only 13.25" deep with one lower trestle "runner" it is ideal to serve as a unique and narrow rustic console table or sofa table. This console table has been restored and waxed; it is strong, stable and ready to be placed and enjoyed. Please examine the close up photos to appreciate the patina, joints and old hardware. Photos are part of description, please asks for additional photos of specific areas of question or concern.

With over 37 years of experience selling European antiques, our brick-and-mortar storefront, Round Top Ranch Antiques (located in Texas) offers one of the largest curated selections in the nation with over fifteen thousand square feet of inventory to choose from.
