19th Century Pair of Large White Demi Lune Console Side Tables

Pair, Gustavian large demi-lune side tables that are each just under 5' wide at back. Turned legs add to the simple grace of these demilune console tables.

Newer professionally applied white painted finish (with pale gray undertone), slightly distressed to fit age and character of the tables.

Restored, strong, and stable. All old nicks, scratches, age-related separation, signs of wear are reflective of generations of use and do not detract from the beauty nor function of this pair.
