Reclaimed Bowling Lane Wood Top Industrial Dining or Work Table

Reclaimed bowling lane wood tabletop sits upon a heavy iron base, creating a durable, industrial style dining or worktable. The tightly laminated narrow strips of hard maple strips show a linear grain pattern with intermittent joints. Please review the close-up photos as there is variation of lighter and darker wood tones throughout (where the overall top may appear lighter in photos). The wood does show some distress, including nicks, scratches, gouges, fading, stains etc. all adding to the vintage feel of the table. Overall smooth surface. This 8' long dining table has a new cast iron base; it is strong, stable and ready for daily use.

Please refer to professional photos for clear understanding of color, condition, and details; photo lighting, individual monitor display and home lighting all impact how item is viewed. Photos are part of item description, please ask questions or request additional photos of specific areas if needed.
