## 19th Century Long Rustic Work Console Table Kitchen Island

This rustic work table is just under 10' long, reinforces with iron rods and bolts, and resting on eight legs. This long work table may serve as a unique kitchen island. This heavily used table reflects generations of use in every gouge, nick, scratch, hole, stain and crack. The top reveals multiple age-related separation of planks. Top appears to be crafted in pine while the base is oak.

Restored, strong and stable this table is ready to be used.

Please refer to professional photos for clear understanding of color, condition, and details; photo lighting, individual monitor display and home lighting all impact how item is viewed. Photos are part of item description, please ask questions or request additional photos of specific areas if needed.

With over 37 years of experience selling European antiques, our brick-and-mortar storefront, Round Top Ranch Antiques (located in Texas) offers one of the largest curated selections in the nation with over thirty-five thousand square feet of inventory to choose from. We look forward to helping you find the perfect addition to your home or workspace. Thank you for visiting our online store!
