19th Century Rustic Original Painted Work Console Table

This 8' long rustic work table has a stretcher base with six legs. The base maintains its original brown paint, while the contrasting original green top shows much wear.

This heavily used console table reflects generations of use in every gouge, nick, scratch, stain and crack. Distress to the painted finish reveals much of the natural pine wood below.

Restored, strong and stable this table is ready to be used.

Please refer to professional photos for clear understanding of color, condition, and details; photo lighting, individual monitor display and home lighting all impact how item is viewed. Photos are part of item description, please ask questions or request additional photos of specific areas if needed.

With over 37 years of experience selling European antiques, our brick-and-mortar storefront, Round Top Ranch Antiques (located in Texas) offers one of the largest curated selections in the nation with over thirty-five thousand square feet of inventory to choose from. We look forward to helping you find the perfect addition to your home or workspace. Thank you for visiting our online store!
