Rustic 20th Century Narrow Coffee Table or Bench

The appeal of this rustic coffee table comes from the thick wood of the top that originally served as a worktable.

The slab of wood that serves as the top is impressive and creates the desire to touch it. Note the gouges, stains, scrapes and even cracks that all combine to build the depth of character.

This 5' narrow coffee table has been restored so it is strong, stable and ready to use and enjoy. May also be used as a large, rustic bench.

Please refer to professional photos for clear understanding of color, condition and details, understanding each monitor may display color slightly differently.

With over 37 years of experience selling European antiques, our brick-and-mortar storefront, Round Top Ranch Antiques (located in Texas) offers one of the largest curated selections in the nation with over thirty-five thousand square feet of inventory to choose from. We look forward to helping you find the perfect addition to your home or workspace. Thank you for visiting our online store!
