Original Green Painted Swedish Dome Top Trunk Dated 1853

Original dark green painted dome top oak trunk from Sweden with black wrought iron straps and side handles.

Monogram and date "1853" indicate this trunk was likely a dowry or wedding present.

Traditional hand-painted details include floral motif along top and front against a green background.

Hand-wrought iron straps and side handles, no lock nor key.

Restored and waxed, this heavy trunk is ready to be placed and enjoyed.

Signs of wear typical for age include nicks, scratches, various age-related separation of wood along top, front and interior bottom, multiple cracks, etc. This wear does not impact the strength nor functional integrity of the trunk which is ready for use. Please refer to professional photos for clear understanding of color, condition, and details; photo lighting, individual monitor display and home lighting all impact how item is viewed. Photos are part of item description, please ask questions or request additional photos of specific areas if needed.
