19th Century Romanian Large Pine Chest of Three Drawers

Antique pine chest of three drawers resting on bun feet. Note the applied decorative carving along paneled drawer fronts that elevate the overall look. Traditional dove-tail joints and brass pulls. The natural wax finish brings out the warmth of the pine. Restored, this dresser or blanket chest is strong, stable and ready for use. Drawers function.

All nicks, scratches, cracks (seen throughout), stains, old dried wormholes (no longer active), aged separation (see back) and signs of wear reflect generations of use and do not impact function. Old repairs and some staining seen along top. Please refer to professional photos for clear understanding of color, condition, and details; photo lighting, individual monitor display and home lighting all impact how item is viewed. Photos are part of item description, please ask questions or request additional photos of specific areas if needed.
