Early 19th Century Gold Gilt Swedish Trumeau Mirror

Lovely narrow gold gilt trumeau mirror with carved ribbon design crowning the upper top, carved trim, beaded detail and more. Beautiful shades of gold, blue/teal (upper section), and burnished red undertones (throughout) are seen in perfect balance throughout accenting the delicate carved details. The gold finish is scraped and distressed, with flecks of antique white and red undertones scattered throughout adding to the aged grace of this mirror. At 15.5" wide, its size allows it to be displayed in a wide variety of spaces. All scratches, cracks(seen throughout), dings, nicks, small missing chinks, chipped and crackled paint, and age related separation are typical for age and do not detract from the beauty nor function of this special mirror.
